

Helping deprived, excluded and vulnerable children have the capacity to become young adults and leaders who bring lasting and positive change to their communities.

- \$175 installs one hand-washing station at a school for children, significantly reducing disease and illness and increasing student attendance and academic achievement.
- \$450 gifts bicycles to 10 students who have to travel long distances to school.
- \$1200 protects 100 children from mosquito-borne diseases by providing them with insecticide-treated nets.
