

Contact of Burlington County is the designated National Suicide Prevention Lifeline Center for Burlington County, providing confidential active listening, support and life-saving intervention when necessary.

Contact of Burlington County is the information and referral center for Burlington County residents with a comprehensive, up-to-date database of programs and services available to residents. All referrals are free or income-based and caller information is kept confidential.

- Over 85% of all funds collected directly benefit and support our Suicide Prevention Lifeline and Information and Referral Services. All of Contact's services are free of charge.
