

TMCF provides unparalleled access to a funnel of opportunities for students to journey to college, through college and into a career. Despite the universal challenges that face today's college bound student, TMCF transforms the lives of thousands of students each year.

TMCF boasts an 80-90% graduation rate of its Scholars – compared to a 40% graduation rate for Black/AA students overall, 37% graduation rate for students attending HBCUs, and a 62% graduation rate for all students irrespective of race/nationality or whether they attended an HBCU.
